# Sunnyside Newsletter

## WELCOME BACK!

Firstly, welcome back to all of our families and children this week, it has been fantastic to see you all! It has been incredible to hear laughter in the corridors again, see children playing in the playground and all of them enjoying their learning in the classrooms. We are really proud to see how quickly they have settled back into school and how they have learnt to follow our new routines and hygiene measures too.

A big thank you to all parents and carers for supporting our school with our staggered starts and finishes. This has allowed for our children to arrive safely by avoiding larger groups of people. Please ensure when waiting for your child, particularly at the gate, space is given to allow children to meet their parents safely and to allow for social distancing.

This week our focus has been around wellbeing. We wanted to ensure that our children feel safe, happy and ready to learn. We have spent time enjoying reconnecting with our friends and spending time with the children in our bubble.

A big welcome to all of our new FS2 starters! They have settled into Sunnyside beautifully and we can't wait to watch you grow and SHINE!

Please remember that staff unfortunately cannot chat, as they have done in the past, at the classroom doors so if you do have messages or would like to talk to your child's class teacher please call the office and a telephone appointment can be made. We are still keen to work with you as closely as we have done before and staff are happy to discuss/answer any questions over the telephone.

**Attendance Winners – Our winners for w/c 31<sup>st</sup> August are Sycamore with a fantastic 100%.**

**Well done everyone.**

We have noticed that since returning our children seem very hungry throughout the day so children are welcome to bring in a healthy snack to eat at breaktime. However, please can we remind Parents that we are a **NUT free school** as we have children in school with severe nut allergies. Thank you.
